# CITIZEN SELF-SERVE

Citizen Self-Serve: is available for residents to access information on their accounts for tax, utilities, and accounts. To register, you will require your owner number, which is located on any one of your Tax Notice, Utility Invoice or AR Invoice.

Go to the County Website at **www.county.stpaul.ab.ca**, click on **Online Services** which will then take you to your option to **Use Citizen Self-Serve**. Once there, click on **Register**, where it will ask you for your *Owner Number and an Account Number* from any of the three sources in the drop down.

Once you choose **Submit**, you will need to follow the remainder of the prompts to provide your email and set your log-on. A confirmation will be sent to you via email (which does have expiry) – click on the link in the email and set your password. Your registration will then be complete. To log on, go back to **Use Citizen Self-Serve** and choose **Sign On**.

Use GIS WebMap

Citizen Self-Serve

Citizen Self-Serve is a secure online software for residents and stakeholders to view and manage property taxes, tax accounts and assessments, utility accounts and accounts receivable.
