Council is working towards declaring a Municipal State of Agricultural Disaster in the County and is submitting a letter to the Minister of Agriculture & Forestry expressing deep concern about the impact the extended period of hot, dry weather is having on crops and on farmers. The County will publish the letter on the website and on Facebook.

Bylaws and Polices can be found on the County website under 'Governance/ Bylaws & Policies'.

Council passed **DEV-7 Encroachment Agreements/License Policy** that provides standards to which Encroachment Agreements or Licenses may be permitted within County Lands or Roadways.

Council passed **Bylaw 2021-11 Fee Schedule to support the DEV-7 Encroachment Agreements/License Policy**. The Fee Schedule Bylaw includes a \$500 administration fee for an application for an Encroachment Agreement or a License Agreement.

Council moved to submit a letter of concern to the Minister of Transportation and David Hanson MLA for Bonnyville-Cold Lake-St. Paul asking for a review of the **intersection at Hwy 881 South and Hwy 646** to determine what safety improvements can be made. Council awarded the tender for approximately 6 acres of **standing hay** on Lot A, Block 2, Plan 4339KS in SW-5-57-10-W4 (former Lafond School Site) for the 2021 and 2022 haying season to Albert Munro.

Council approved the **Fire Services Agreement** between the County of St. Paul and the Town of Elk Point effective immediately.

Council moved to enter into an agreement with B-Line for \$15,750 for work on Bridge File 6575 on Twp 562. The water level is encroaching on shoulders and starting to undermine the road. The work will entail unplugging and draining the culvert.
