DEV-9 Road Cancellation Request by a Landowner

Department: Planning and Development

POLICY OBJECTIVE:

The County of St. Paul desires to implement standards regarding the cancellation of a road plan at a landowner's request.

POLICY STATEMENTS:

1.0 Application Process

- 1.1 The landowner shall submit a request to the County requesting the cancellation of the road plan. The application will include:
 - (a) the reason for requesting the road cancellation
 - (b) a legal description of the road plan
 - (c) the legal land description where the road plan is located.
- 1.2 All applications will be reviewed by the County to determine if the road is being utilized by the public and the viability of the road cancellation.

2.0 General Matters

- 2.1 The landowner will pay an administration fee as set out in the Fee Schedule Bylaw.
- 2.2 The landowner will purchase from the County, the portion of the road being cancelled and consolidated back into their title, at the right-of-way rate set by County Council.
- 2.3 The landowner will be required to pay all other associated costs for the road cancellation.
